Product/Business Description:

4th Source develops, builds, and deploys entire IT business software services, solutions, and accelerators for both healthcare and independent software vendors (ISV). We have established long-term partnerships with several of healthcare's most successful and effective Fortune 20 companies.

Target Audience:

Our healthcare knowledge and expertise span across both the clinical and business departments for payers, providers, PBMs, and pharmacies as we implement process enhancements needed to achieve improved clinical and operational efficiencies.

Latest Achievements:

Our unique offerings and execution excellence have enabled us to grow by more than 40% each year for the last five years, and Inc. 5000 named us "one of the fastest-growing companies to watch" in 2012.
