

APPLICATION

Life Sciences & Healthcare CEO

Criteria: Individual's background and the company's success to date.

Key Considerations:

- Describe CEO's management accomplishments and philosophy, including the communication of a vision and goals as achieved by the company.
- Leadership and impact in industry and/or market.
- Ability to attract and retain talented resources.
- Company milestones including financial accomplishments and a strategy for continued company success.
- Community/industry involvement.
- Extra consideration is given to leaders who have contributed more broadly to the strengthening and promotion of the life sciences/healthcare industry in the region.

Company Narrative/Summary

There is a limit of 100 words per response.

1. What are your products, services, and/or proprietary technologies? What unique benefits do they bring to your customers?
2. What is your market potential, and what are your target markets?
3. What is your unique competitive advantage?
4. Describe the depth of experience of your management team.
5. List your company's achievements.

CEO Profile

There is a limit of 100 words per response.

1. Describe your management philosophy.
2. Describe contributions made by the CEO to the company's business success today – and would this success likely have resulted without this CEO.
3. List your civic and professional affiliations and awards.
4. Submit CEO's bio/curriculum vitae - **required**.
5. Date Nominee became CEO (month/year) – **required**.
